

WHY SPONSOR US ?

The adventure begins on Friday, October 17th! The Bentonville Beavers Pathfinder club will set out for the Crater of Diamonds State Park in Murfreesboro, Arkansas. This will be a mining adventure where Pathfinders will literally “dig for diamonds.” While at the park they will camp, cook over an open fire, study Arkansas’ unique rocks and minerals, and most importantly, learn three techniques for diamond hunting.

Crater of Diamonds state park is the only diamond-producing site in the world that is open to the public. So this adventure is literally a once-in-a-lifetime experience that will be made possible by your sponsorship. Please join us as, together, we raise funds and learn more about Arkansas, *our* Natural State!
