

Hero Awards:

The 2018-2019 Pathfinder year will focus on real people from the Bible and what we can learn from their heroism. This year, become a hero yourself by working to earn one of these “Hero Awards.”

❑ “Stewardship of Joseph” Award

Earn this award by participating whole heartedly in fundraisers, using club resources wisely, taking good care of materials, and helping to clean up without being asked. We want you to grow as someone who can see needs and find ways to help, just like Joseph did during the famine of Egypt.

❑ “Jonah the Evangelist” Award

Earn this award by sharing your faith even when it is hard, when you are scared, if you don’t want to, or if things don’t turn out like you planned. We want you to grow as someone who has a close personal relationship with God and can rise above your fears, just like Jonah did for the city of Nineveh.

❑ “Confidence of Esther” Award

Earn this award by strengthening your public speaking skills by building confidence, standing up for what is right, and overcoming fear. We want you to grow as someone who causes everyone to stop and listen when you speak, just like Esther did in front of the king.

❑ “Obedience of Joshua” Award

Earn this award by following directions even when it seems stupid, having a good attitude about rules, and being someone who encourages other to follow guidelines. We want you to grow as someone who is obedient to God in all aspects of your life, just like Joshua when he marched around Jericho.

❑ “Loyalty of Ruth” Award

Earn this award by having good attendance to all Pathfinder activities, having a positive attitude toward club uniform, talking positively about Pathfinders to others, and by inviting others to join the club. We want you to grow as someone who is openly loyal to God, just like Ruth was loyal to Naomi.

❑ “Faith of Daniel” Award

Earn this award by volunteering to pray, bringing conversations back to spiritual things, openly telling others about Jesus, and being an example of Jesus’ love in the way you live your life. We want you to grow as someone who is a confident spiritual leader, just like Daniel was not afraid to pray to God openly.

❑ “Bravery of David” Award

Earn this award by going out of your comfort zone and doing work for God, even when it is hard or you’re afraid. We want you to grow as someone who is a soldier for God and will bravely work for Him in all kinds of circumstances, just like David when he faced Goliath.

❑ “Leadership of Moses” Award

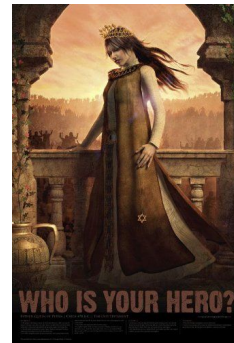

Earn this award by being the first one to get started, taking control of the situation when there is something to be done, being a distinct leader in a project, and setting a good example to others. We want you to grow as someone who is a well trained, fearless, and confident leader, just like Moses was when he lead the children of Israel through the desert.

Hero Awards Application for _____

Check the boxes of the awards you'd like to apply for. For each, explain what you have done to deserve this award.
